

To Whom It May Concern

Christine Kirk & Graham Robinson

I am writing to confirm that Christine Kirk and Graham Robinson have our authority to raise funds, sponsorship and arrange fundraising activities for their Community Event, Entrick House Funday, in support of Dove House Hospice. All funds raised from their fundraising activities and sponsorship will be given to Dove House Hospice.

Dove House Hospice provides specialist care for people in Hull and East Yorkshire who have life limiting illnesses. The hospice has a yearly running cost of approximately £8.23 million and is funded for the equivalent of just 43 days. Without events such as this one we could not keep the hospice open for the other 322 days.

Thank you for supporting Dove House Hospice and helping us add life to days when days cannot be added to life.

Yours sincerely

Hannah Gamble
Fundraising Assistant
